guitarra de pasión - a melodic collection of classic melodic World/Jazz/Latin originals composed and recorded by veteran Colombian-born artist, Juan Carlos Quintero

This First installment of the "guitarra de pasión" series captures Quintero's melodic touch while offering fans a best of collection of re-mastered versions of popular tracks from JCQ's expanding catalog

A #1 album at iTunes (2005)

The trio of Guitarra De Pasión's cross over appeal naturally extends into special markets (museums, gift shops, spa, etc.) as beautifully packaged concept albums...

guitarra de pasión
a brand of
must have "best of" collection of
soothing, melodic Spanish
guitar music...
